

The ten tags (shared by all playgrounds)

Demo setup: **one set of ten chips works at every playground**. Write each link below on its tag. A tap counts for the playground selected in the app (or found by location); the park=123 in the link is only a hint when nothing is selected yet.

Progress and badges stay separate per playground.

Tag	 Sunny Meadow Park	 Rocket Ridge Playground	 Pirate Cove Play Area
LOC01	Front Gate	Entrance Sign	Dock Gate
https://swainmade-oss.github.io/playquest/?park=123&loc=LOC01
